To all those you helped set up the field and counted the scores, this shoot would not happen without your help. Thank you.

To the archers who braved the rain, I salute you.

Next year Good Friday is later in April so hopefully better weather.

We will be running the Longbow Barebow Western some time in July, this is a great shoot to attend, fancy dress is optional but encouraged, and of course there is the all booze raffle. The Sheriffs purse is always worth winning. If you have never attended this shoot do come along it's a great fun day.

We will have our Double American in Oct, it will be the last shoot of the year.

Thank you all for attending the shoot and despite the weather I hope you enjoyed the day.
