NOTES:-

As the organiser of the Tournament I would like to thank ALL archers who braved the awful weather, and stayed on the shoot our Shortened Double American.
The weather did dampen down the day, with heavy downpours of a very wet substance called rain, one group of archer's who will be nameless (Longbows) did not seem to worry about the lightning, I wonder WHY!! Must be the woody things they use ?
I Would also like to thank our Lord & Lady Paramount, Susie & Alan Dyke, they did a sterling job, as well as shooting all day, also my thanks go to our Judges, Neil Dimmock assisted by Netta Bridle, we wish her Good Luck in her Final assessment next week.
Thanks to all the archers in helping to move the targets and to Aquarius archers helping, a to all archers who helped in marking out and setting up the field, all the more hands make I work for me !!. THANK YOU ALL AGAIN. And See you next year 2007.7th October.
