Notes:-

As the Organiser of this tournament I would like to thank all Archers who came to shoot with us on our 33rd year. The weather was mild, with little wind, but not much sun-shine.

Once again one band of 'Merry Men & Women with those long sticks, seemed to have enjoyed their day, hope they will come again next year, or to the "Good Friday Albion"

My Thanks to all archers who helped move the targets, including the 'Aquarius Archers' who did a Stirling job, marking out the field and putting up the targets, and making sure

all went well on the day.

Thanks to our 'Lady P, Lucy Simpkins did well all day, selling raffle tickets, and handing out all the awards. Thanks go to our Judge of the day, Netta Bridle working all day alone.

Thank you to our 'Chef' who supplied the food, and his helpers, also Marion Beet & Roger May our Scorers. Again Thanks to all Archers who made the day a success.

Reminder:-

Aquarius Archers Annual "Good Friday Albion" 21st. March 2008
