Corrected scores highlighted in yellow – no changes to finishing positions.

Many thanks to everyone who took part, especially given the conditions, with rain, wind, blazing sunshine and some thunder and lightning thrown in for good measure! We hope that you enjoyed the Tournament and will join us for future events.

Special thanks to our Lady Paramount Alison Shearer, Field Captain Michael Lucibella, and all the volunteers who helped with marking out and setting up the field, taking care of the catering, running the bar, and organising the raffle – the tournament would not happen without you!

I hope to see you all at our tournaments in 2025: our 50th Albion Tournament on Good Friday and the 48th Double American in July.

Best wishes,

Terry Pattar
