Many thanks to everyone who entered and well done to all those who managed to stay the course and complete a very long day of shooting. The weather certainly made it interesting as conditions were very similar to 2024 with a mix of rain, blazing sunshine and some rumbles of thunder, though at least no lightning this year!

Special thanks to our Lady Paramount Maggie Woolf, Field Captain Roger Spellane, and all the volunteers, especially those who weren't shooting but gave up their time to support those of us who did shoot. You will all have seen Roger (we couldn't miss him in that shirt and cowboy hat!) as Field Captain and Judge on the day, but you won't necessarily have seen all the effort that he put in to prepare the field, along with Pete, Ian, Adrian, and Shamsul on the field crew. Thank you to Alison, Torsten, and everyone else who helped clean up the clubhouse. And thanks also to: Hilary, Oliver, and Hunter, for invaluable help prior to the event to get us organised, and running the bar / helping with scores on the day, along with Emil, Mohsen, Matteo, Simon, and Louis, for registering, stewarding, and Alison again for organising the raffle.

Massive thanks to the Bigg-Wither BBQ Dream Team (at least that's how I think of them!) for the superb burgers and to Alice for providing the salads and baking, along with Hunter's Cowgirl Confections – it was all delicious.

Look out also for the photos and videos taken by Hunter and Mohsen – you'll see these shared on social media. Feel free to like and follow and please do tag us in any of your own posts (@aquariusarchery)!

I'm sure that's not even an exhaustive list of everyone who helped make the tournament happen, but thanks to all who contributed their time. It really is a 'whole-of-club' effort to host events at this scale.

We hope that you enjoyed the Tournament and will join us for future events. This is the second time we have run the Double American since reviving it last year and it's wonderful to see archers from so many different clubs taking part. With more than 50 entrants this year, the attendance more than doubled from last year.

We look forward to welcoming you all back next year, when we will be holding our 51<sup>st</sup> Albion Tournament on Good Friday and the 49<sup>th</sup> Double American in July. I will endeavour to send out booking details well in advance.

Aquarius Archery Club will also be celebrating our 60<sup>th</sup> anniversary throughout next year and there's a rumour that the famous (infamous?!) Longbow / Barebow tournament will also return in summer 2026!

Best wishes,

Terry Pattar
