Highlighted scores indicate corrections.

Many thanks to everyone who entered and well done to all those who were shooting in their first competition. Also, well done to everyone who managed to stay the course and complete a very long day of shooting, especially through the heat of the afternoon. Thanks also for bearing with us on the delayed start and the later than planned lunch break! Next year, we may aim for a slightly earlier start.

Special thanks to our Lady Paramount Maggie Woolf, Field Captain Liam Daly, Judge Shamsul Hussain, and all the volunteers, especially those who weren't shooting but gave up their time to support those of us who did shoot. Not an exhaustive list I'm sure, but thanks go to: Pete, Dan, Anahi, Mike, Kim, Ian, Torsten, Mohsen, Roger, Clare and Alison for variously preparing the field, finding lost arrows on the day, cleaning up the clubhouse, running the bar, organising the raffle, registering participants, helping sort and check the scores and assisting our Lady P in giving out the medals.

Massive thanks to Dan, Joe, and Taysir for running the BBQ and to Alice for providing the salads and both Alice and Hunter for the baked goodies – it was once again all delicious and certainly kept me fuelled through the afternoon!

I say this every year because it's true: it really is a 'whole-of-club' effort to host these tournaments and we hope they continue to grow in the future.

Look out for the photos and videos taken by Hunter and Oliver – you'll see these shared on social media. Feel free to like and follow and please do tag us in any of your own posts (@aquariusarchery)!

We hope that you enjoyed the Tournament and will join us for future events. Our next tournament is our Longbow Barebow Tournament (also open to Asiatic bows) on 25 July. It's the first time that we will be running this after several years of absence, so please do sign up and encourage other archers to join too: <https://www.aquarius-archers.org.uk/tournament-bookings/>

Dressing up for this shoot is encouraged and there is a rumour that the Sheriff of Nottingham may be making a return appearance!

We also look forward to welcoming you all back next year, when we will be holding our 52nd Albion Tournament on Good Friday and our 50th Double American later in the year. I will endeavour to send out booking details well in advance.

Best wishes,

Terry Pattar
