Many thanks to everyone who entered and helped us revive this open competition after several years of absence. I'm sure you would all agree that the 'Sheriff of Nottingham' did a fantastic job and we were all thoroughly entertained throughout! Well done to everyone who took part and everyone who won medals, prizes, or cash awards. This is a truly unique competition and it was great to see everyone enjoying themselves, and so many people dressing up for the occasion, in spite of the scorching conditions!

Thanks too for your patience in bearing with us for the delayed BBQ and uncertainty at the lunch break. I'm assured that this was a faithful recreation of conditions in Sherwood Forest when Robin and his merry men took longer than expected to get their burgers and hot dogs grilling!

Special thanks to our Lady Paramount Maggie Woolf, Lord Paramount, Judge, and Sheriff George Farquhar, Field Captain Liam Daly, and our Communications Officer Hunter Clint for rounding up the volunteers.

Of course, huge thanks to all the volunteers, especially those who weren't shooting but gave up their time to support those of us who did shoot. Not an exhaustive list I'm sure, but thanks go to: Pete, Roger, Dan, Rou, Alison, Chris, Mike, Kim, Emil, Oliver, Joe and Taysir for variously preparing the field, finding lost arrows on the day, cleaning up the clubhouse, running the bar, providing baked goodies, registering participants, helping sort and check the scores, running the BBQ, taking photos, and assisting our Lord and Lady P in giving out the medals and prizes.

This tournament was revived owing to popular demand and we hope that everyone who took part will recommend it to others for next year, after all, which other tournament gives you the chance to win cash prizes?!

Look out for the photos and videos taken by Terry, Kim, and Oliver – you'll see these shared on social media. Feel free to like and follow and please do tag us in any of your own posts (@aquariusarchery)!

We look forward to welcoming you all back next year, when we will be holding the Longbow Barebow shoot, as well as our 52nd Albion Tournament on Good Friday and our 50th Double American later in the year. I will endeavour to send out booking details well in advance.

Best wishes,

Terry Pattar
