Handicap Competition

The Handicap Competition brings together all the archers who shot on the day, who have a handicap rating (archers need to submit at least three scores to the records officer to get an initial handicap rating). Allowances are awarded, based on bowstyle and the round shot. These are added to the actual score made by an archer for a total 'Handicap Score'.

The allowance is calibrated so that an archer performing at their expected level would achieve a Handicap Score of 1,440. This system rewards the archers who shoot better than their previous performances, i.e. record a total score of more than 1,440.

For more details on the handicap system, see:
https://archerygeekery.co.uk/2023/06/13/beginners-series-handicaps/

Pos	Name	Handicap Rating	Allowance	Made Score	Handicap Score

18	Roger Spellane	62	810	436	1246
19	Hilary Tait	66	815	422	1237

Our 2025 Club Champions are: Simon Snee, Roger Spellane, Des Holloway, Kim Johnson and Hilary Tait. The handicap competition was won by Hunter Clint.

Congratulations to all Archers taking part. The weather could perhaps be described as 'fresh' in the morning, before turning windy and rainy in the afternoon. Classic Aquarius competition weather! As always, it was great to see such a good turnout, especially the newer members, including juniors, joining in the shoot.

It would be great to see more competition in the individual categories next year – let's try to encourage more members to join in and create an even bigger turnout in 2026, when we'll also be celebrating the club's 60th anniversary! Look out for the date early in the new year (most likely mid-September again).

Thank you to Maggie Woolf our Club President for coming along to support us and present the Medals and provide a motivational pep talk on shooting in the rain! We will all be better prepared next time.

And a big thank you to everyone that helped make this competition happen, whether in setting up the field, cleaning the clubhouse, making pizzas, baking, running the bar, and clearing away at the end – well done for volunteering your time and supporting each other to make this event such a success. I hope you enjoyed it as much as I did!
